

A Journal of Smear and Innuendo Issued Semi-Literately Despite Intense Public Objection

Managing Editor: WLARR/6. Mismanaging Editor: WA6NLQ.

No. 28 -- September 1974

STILL, HAVE A NICE DAY. With all the calamities visited upon a sinful world so far in 1974 -- floods, drought, political upheavals, strikes, inflation -- can there actually be any disasters still in waiting, disasters of such magnitude as to dwarf the aforementioned?

Yes indeed. It is with a deep sense of apathy and despair that we announce the passing of the JUG editorship to WLARR/6 and WA6NLQ, both of the Club's Berkeley Axis. Bob and Stu have vowed to faithfully adhere to the same abysmally low standards that have long kept the JUG read and respected by just about nobody.

But seriously, folks, we need input from you members if the JUG is to grow and prosper. Comments, articles, cartoons, letters, ideas -- these must be forthcoming if the JUG is to amount to anything more than a glorified meeting notice. Do your part and submit something for evaluation by our editorial board, okay? You'll sleep a little better each night knowing that you did your bit for media pollution.

Related topic: we are greatly in need of (1) free, or mighty cheap, printing services for this publication; and (2) some better method of addressing same, such as Addressograph plates. Please, OM's, if you can help out in any way, advise us or President W6RGG. Remember, a better JUG means a better tomorrow.

SEDIMENT: The Bay State contingent of NCCC has decreased by one with the departure of WA1ABW, who has returned to Massachusetts after a stint with the Army. We'll miss his quiet competence at K6EBB -- good luck, Ron. . . . That Grand Old Man of ARRL Hq., Ellen White, has informed W6RGG that she will positively attend our special Oct. 23 meeting. You'll want to meet and talk with this very special lady, a YL (W1YL, in fact) who should be among the first in line whenever they get around to starting an amateur radio Hall of Fame. Circle that date on your calendar now! . . . As part of an ongoing cultural exchange, we send a copy of each JUG to the editors of the MURPHY MESSAGE, who in turn favor us with that worthy publication. If you'd like to see it, ask W6RGG to haul it out of his file -- or send a couple of bucks to MM Sec/Treas K1JHX and get on the mailing list. . . . Correct address for WA6TQK is 26691 Colette St., Hayward, CA 94544. Latest Club roster should be changed accordingly.

SEPTEMBER MEETING NOTICE. The next meeting of the Northern California Contest Club will take place on Friday, Sept. 6, from 7:30 to 10 P.M., at the American Red Cross building, 333 McKendrie Street, San Jose.

Directions: From Hwy. 17, take the Coleman Avenue / Municipal Avenue exit. (If you're coming from the direction of Santa Cruz, it's 2.9 miles north of Hwy. 280. If you're coming from Oakland way, it's 1.4 miles south of Hwy. 101.)

Proceed .2 mile EAST on Coleman Ave to West Hedding Ave. Turn LEFT on West Hedding Ave. and proceed .3 mile to Ruff Drive. Turn LEFT on Ruff Drive and proceed .1 mile to McKendrie St. Turn LEFT onto McKendrie St. and the Red Cross building is on the right-hand side of the road.

Arranger W6NLG emphasizes that all bodies must be out of the building by 10 sharp. And while he didn't say so, we assume that any and all forms of joy-juice are prohibited.

Gordon has compiled a handy directory of Bay Area 2-meter repeaters. You may obtain a copy of same by sending an SASE to WLARR/6.
